**Earning Points:**  
 The nights you are assigned to play a team the maximum points available is 7 (2 per each golfer and 3 for team).  
 You will have a chance to earn team points on the nights a Scramble is scheduled. Both teammates (or subs) must play Scrambles.  
**Bye doesn't mean not to show up! When you have a Bye, you play verse the course. To beat the course you must shoot better than your handicap.**

**Make up rounds & Subs:**  
**If you are unable to play on league night or have a sub, please let us know by Monday! Call, Email or text Penni or Johnna or post in the Facebook Group.**  
 We do need to know ahead of time if you have a sub and who it is, so we can make cards correctly.  
**Penni: 402-300-0433/penni.mitchell@jchealthandlife.org    Johnna: 308-379-5088/gijohnna@hotmail.com**  
 If you do not make up your round and one teammate is present, she will play both opponents.  
 If you cannot play on league night, you can make-up the round with another league or sub golfer preferably before your scheduled round. If that is not possible, please communicate your plan to us.  
 If both teammates are not able to play and dont make up the match you will forfeit. You have the option of getting a sub.  
 Please turn score cards into Penni or Johnna, text or send us a picture on Messenger. Make sure to put the date of the scheduled round being made up on the card.

**Each Round:**  
 Decide at the beginning of the match if you will allow "gimmies". Gimmies can only be given by an opposing golfer.  
 Please settle any questions you may have about a golf shot or penalty among your foursome.  
 If you pick up your ball after 10 strokes - please circle the "10" on the card.

**Scramble Formats:**  
 05/10 & 6/21: Scramble Format - Scramble til the ball is in the hole! Both players tee off, select best shot, both players hit from that location. Continue all the way to the hole.  
 5/24: Shamble Format - Both players tee off, select best shot, both players hit from here and play their own ball all the way to the hole. Put the lowest score on the scorecard.  
 06/7: Chapman Format - Both players tee off, switch balls for the second shot. Then choose the best ball and play alternate shot into the hole.  
 7/5: Bingo Bango Bongo - Bingo point is given to first person on the green; Bango point - person closest to the pin once all balls are on green; bongo point - player whose ball goes in the hole first.  
 7/19: Greensomes Format - Both players tee off, select the best shot and play alternate shot into the hole.  
 8/2: Best Ball format - Play your own ball, but only record the best score between both partners.
